This has a polished nose of jasmine, chamomile, apricot stones, white chocolate, almonds and lemon cream. Medium-bodied with a creamy texture. Rich nougat notes, balanced by fresh, zesty acidity. Vermentino. From organically grown grapes. Drink now.

**Falstaff - 91 Points**

Clear, rich golden yellow. Multi-layered and complex nose, intense ripe yellow fruit, spicy and subtle vanilla from wood ageing on the aftertaste. Velvety, mouth-filling and salty on the palate, well balanced and harmonious, with a long finish.
