Lovely cherry, raspberry and floral aromas and flavors are at the heart of this graceful red. Vibrant and elegant, with well-integrated tannins and a long, supple, mineral-tinged finish. This should be really charming in about 5 to 6 years. Best from 2025 through 2043. 400 cases imported. — BS

James Suckling - 96 points

Aromas of black cherries and citrus with some graphite and smoke. Medium-bodied with firm, juicy tannins that are chewy now, but will soften with age. Racy and long at the end. From organically grown grapes. Better after 2024.

Timido al naso si manifesta con ricordi di frutti rossi croccanti come ribes e mirtillo rosso. Secondariamente, fiori di ibisco e chicchi di melagrana. Al palato, corpo pieno, tannini ben estratti ed un finale di buona persistenza. Bevi ora o invecchia.

Tony Wood - 95 points

Medium ruby red in colour. Blue florals of violet, hyacinth and lavender. Dark cherry, wild strawberry, dewberry, orange peel, Mocha, sweet tobacco, incense and dark spice. Super expressive. Lifted fresh fruit and spice tray. Totally compelling.
